2.1. Participation

Colli Trade Rewards reserves the right to refuse membership. Participation consists of a member identifying him or herself as a Member when making purchases of Eligible Transactions and thereby collecting Reward Points. By participating in the Programme a Member agrees to comply with these Terms and Conditions and gives the authorisations and acknowledgements set out below. The minimum spend to qualify for the Colli Trade Rewards Programme is \$6,000 per financial year (July-June). All trade accounts are on strictly 30 day terms.

3.1. Accumulation of Reward Points

Colli Trade Rewards will determine from time to time purchases of which goods are Eligible Transactions. Reward Points may be cancelled by Colli Trade Rewards where any Eligible Transaction is cancelled or modified in whole or in part by a Member. The cancellation of Reward Points may occur at any stage, whether or not the Reward Points may previously have been redeemed. Rewards Points accrue in the Member's name only and are personal to that Member. Rewards Points are not transferable to any other person and are not redeemable or convertible for cash. Members can determine their current Rewards Points level at any time by logging onto colli.com.au. Compiled Reward Points may be used to acquire Prizes.

4.1. Duration and Loss of Reward Points

Reward Points can only be earned by the Master Member and any additional linked cards. Reward Points that are earned are held in the Member's Reward Points Account. Reward Points which are not redeemed by 31 July 2014 will automatically lapse and will be forfeited. Upon ceasing to be a Member, the Member ceases to be eligible to participate in the Programme and any remaining Reward Points balance will be forfeited. Colli Trade Rewards reserve the right to suspend or exclude a Member from participating or continuing to participate in the Programme if in the opinion of Colli Trade Rewards the Member has in any way breached these Terms and Conditions, or acted in a misleading or fraudulent manner in relation to the Programme; or acted in a manner inconsistent with the object and intent of the Programme or contrary to the best interests of the Programme. Colli Trade Rewards may in its discretion cancel all Reward Points which have accrued to a Member if their right to participate in the Programme is suspended or excluded. Where a Member registers for the Programme the commencement date of membership will be the 1st day of the month following registration. Only Reward Points accumulated after the commencement date of membership will be valid.

5.1. Reward Points Redemption

Reward Points earned during the Year will accumulate. Whenever the balance reaches the levels nominated by Colli Trade Rewards the Member qualifies for the Prizes nominated for that level only and is subject to any change by Colli Trade Rewards (if any). The minimum number of Reward Points to qualify for the Programme is 6,000. Prizes cannot be exchanged for cash. Each Prize is made out to the specific Member and is for their personal use only. At the time of applying for a Prize the Member will be requested to show identification. Members may be asked for further identification. Prizes remain valid until the expiry date shown on the terms and conditions for the relevant Prize and then lapse. Prizes cannot be re-issued or replaced if they lapse. Prizes issued are in full and final satisfaction of all obligations of Colli Trade Rewards to the Member in respect of relevant Reward Points. Once Reward Points have been redeemed by the issue of a Prize, they cannot be transferred back to a Member's Reward Points Account. In order to be eligible for a Prize a Member must have accumulated at least 40% of the Reward Points in the Year 2014 and not less than 1 Reward Point more than the number of Reward Points required for the level of a Prize, nominated by the Member at the time the Member redeems the Reward Points.
